

A members only network for any business operating within the Tourism Industry to work alongside other like-minded businesses to formulate projects and initiatives for mutual gain, and the benefit of the wider City economy.

The services include:

- 1) Regular networking meetings with a greater emphasis on building profitable business relationships that ultimately attract more visitors to the City by offering more attractive packages
- 2) A collective 'lobbying' voice for the Tourism Industry to feedback to all kinds of public and third sector bodies
- 3) Facilitation of joint initiatives such as marketing
- 4) Peer to Peer mentoring
- 5) Facilitation of skills swapping and informal training - enabling members to share their skills with one another for the mutual benefit of all
- 6) Information on relevant Business Support Services
- 7) Information and support around employment issues (LEADER Brighton & Hove - www.leaderbrighton-hove.org) and relevant training courses
- 8) Recruitment Support - free recruitment through the Engage Partnership [www.engagesolutions.org.uk/Engage Partnership](http://www.engagesolutions.org.uk/Engage_Partnership)
- 9) A Forum for keeping each other up to date with different Events taking place around the City
- 10) A confidential safe space to share business experiences both positive and negative to assist members to remain profitable

Members sign up to a confidentiality and code of conduct agreement to protect both their and other members' interests.
